WH3 SKI WEEKEND 2022

WHAT'S HAPPENING?

After an all-night session (hic!) we have finalised the ski weekend masterplan!!

Szczyrk, Alpin, Around Town & Ski Slopes

The [Alpin Hotel](#) is just 16km from Bielsko Biala train station (public PKS buses and taxis are available), 120km from Katowice airport and 385km from central Warsaw!

Szczyrk Mountain Resort (SMR) ski area maps, prices, weather, webcams, etc. can all be found [here](#) with the smaller, separate, **Beskid Sport Arena (BSA)** [here](#).

Everything in Szczyrk is accessible on foot, however the nearest ski slopes are 1.6km (Skrzyczne, part of SMR) and 2.2km (BSA) from the hotel, so use of the free ski bus, or taxis (not always reliable) will be needed if you don't have a car. There is also a minibus provided by the Alpin, which needs to be booked in advance.

Note: The Skrzyczne is not normally the best for skiing and we usually ski from Solisko or the Gondola areas which are all part of the interlinked SMR area (subject to lift/slope availability). These are 5.6km and 3.7km, respectively, from the Alpin.

Lessons can be booked during the weekend at each slope, or via the hotel.

Ski equipment can be hired at each slope/lift location, or in town so that you don't need to return to the slope base where you started!

What Have You Paid for?

The hotel booking is on a B+B arrangement. You will need to cover costs for lunch, ski equipment hire, lift passes and other refreshments during the day.

Friday & Saturday evening meals (and some drinks), circle refreshments and trail costs will be paid on a per person basis. We are finalising details of these and will require a cash sum in Szczyrk to cover the costs which will be advised soon. More details tbc

What will you be doing?

1. THURSDAY (03.02.2022)

- Early arrivals, daytime and/or night-time skiing at SMR (18h - 21h) or BSA (17h to 20h). Meet for beer and a bite to eat at [The Green Pub](#) (750m) @ 19h. Pay your own bills!
